

Our Valentines/Friendship Party will be on Friday, February 15th from 9:45 to 10:20. We will trade Valentines, share a friendship story, and have snacks. Kids will have time to look through their Valentines pictures and sayings. Please contribute \$2 to help our room parent provide treats and a craft for the kids. Laelle's Dad, Dale, and her mom, Mavilyn, are our room parents. They always make our parties special and exciting for the kids. If you want to send something to help or be involved in planning, please contact Dale at: crissman4god@yahoo.com or (870)416-6565. Dale will send a reminder note next week.

*Each family gets to choose whether to make/buy Valentines boxes or not. Some parents get upset if not given the opportunity. If you are providing something for your child's Valentines to be delivered to, please send it by Wednesday, February 13th. I have bags and decorations to let kids create with on the 13th if they don't bring something.

*We have 18 kids in our classroom as of today. You may want to send a couple of extra in case we have new students join us. Let your child label a Valentine for each child, and please make sure they sign it as well. I'm including names of other teachers in the building that kids may want to give Valentines to.

Thank you,
Mrs. Bailey
